LANGLEY SPIRIT
MODERN SOUL

HOW LANGLEY LIFE SHOULD BE.

The Merchant has real heart. There's a real story here, rooted in the industrial heft of Langley's past. It's built as a tribute to the people who carved out life in Langley generations ago. And today, Langley City is on the rise, big time, with true town centre living and new energy. This collection of homes, inside and out, brings a clear modern outlook to this location – a perfect monument to the kind of life that's possible here today. It's ready for the modern energy age, too, with solar panels and an industrial design that blends past and future. The Merchant is for the people who really get this place.

PROUD PAST, BRIGHT FUTURE.

The Merchant is right at the buzzing doorstep of Langley City. This location is seriously on the up these days, with a strong surge of new life. Retail and services spread across the cityscape: Fitness centres, restaurants and cafes, and essentials like Walmart and Costco, plus Willowbrook Mall, to really complete the offering. This is a real town centre for modern living. And there's green space galore, with five parks within five minutes. And for those who have connections to the metro area, a new SkyTrain station is coming. This sweet location is about to get a lot better.

THE MERCHANT'S LOCATION HAS A LONG STORY BEHIND IT – A STORY OF REAL WORKING PEOPLE, WHO CARVED OUT A LIFE HERE FROM TRADE, DREAMS, AND GRIT.

A BOLD NEW BUILDING

There's a bold new style of living taking root here, with no apologies. The Merchant is a monument to this new attitude. The building captures Langley City's proud industrial heritage, with warm brickwork and corrugated metal accents. But it's clearly forward-facing, with a handsome exterior, flowing floorplans, and smart design inside and out. Best of all, there's space to spread out and enjoy, in lavish community amenities for all seasons. Meanwhile, the building interfaces with the neighbourhood with a living edge of doorways and plantings – a true streetfront vibe. This place fits right into life in the here and now.

FORWARD-FACING DESIGN, COMPLETE WITH SOLAR PANELS. INDUSTRIAL ROOTS. PERFECT AMENITIES. IT'S ALL HERE.

THIS PLACE IS THE PERFECT BLEND OF TIMELESS TASTE AND OLD-SCHOOL BOLD DESIGN. YOU CAN FEEL IT FROM THE MOMENT YOU ARRIVE.

HARDWORKING PERKS

A down-to-earth life still needs those little extras. And communities need a place to gather, move, and extend the home. The Merchant offers all this in a perfect balance. With an outdoor courtyard that's programmed for every walk of life, including relaxed seating areas, places for kids to play, and spaces to eat, drink, and enjoy.

THE BUILDING WRAPS AROUND A PERFECT POCKET PARK WITH PLACES TO PLAY, GROW, UNWIND, AND CONNECT. FOR EVERYONE.

AMENITIES FOR YOU AND YOURS

Inside, the residents lounge offers a dining lounge for the big dinner party, a games room to play and relax, and a media area for the big Sunday ticket (or that movie night with neighbours). These are amenities that actually make sense for the way you live.

INSIDE THE HOMES

When it comes to design, the Merchant is clearly working on another level. These interiors are clean and urban, but warm and inviting. It's a look that transcend trends, with real character, and an understated elegance. Woodgrain, real stone, just the right hints of the industry and backbone of Langley. All played out across a layout that just works better, with flowing spaces, smart features, and all the right details. What more could you want for life in Langley City?

PLENTY OF NATURAL LIGHT TO KEEP IT REAL. LOTS OF FLOWY OPEN SPACE TO KEEP IT INSPIRED. EVERY DETAIL CONSIDERED FOR MODERN LIFE.

LIVE LARGE, AT LAST

The kitchen is undeniably the beating heart of a true home, and The Merchant keeps this social and creative arena clean, clear, and easy to use. Neutral inviting textures and warm wood tones complement a modern, airy space, full of quality.

DARK SCHEME

LIGHT SCHEME

The low-key industrial look is softer in the ensuites, where clean lines, strong contrasts, and attention to detail define the space. Plenty of cabinet space keeps clutter at bay – perfect for a fresh start, and the evening ritual before you settle down.

THE BLEND OF MODERN COOL, RESPECT FOR LOCAL CHARACTER, AND DEEP COMFORT COME TOGETHER IN THE BEDROOM. DREAM ON.
